To cite: Tribute to the reviewers of the *Canadian Journal of Hospital Pharmacy*. *Can J Hosp Pharm*. 2025;78(1):e3770. doi: 10.4212/cjhp.3770

In 2024, a total of 115 individuals with expertise in various areas of pharmacy practice provided feedback on articles submitted for consideration by the *Canadian Journal of Hospital Pharmacy (CJHP)*. In some instances, these pharmacy professionals provided insightful comments on more than one manuscript submission! Without their commitment, the *CJHP* would not be able to maintain the high quality of articles published in each issue.

Thank you for your dedication to one of hospital pharmacy's most prestigious journals!
