Congratulations to the 2024 Graduating Hospital Pharmacy Residents

The Editors of the *Canadian Journal of Hospital Pharmacy* would like to publicly acknowledge and congratulate the individuals listed below,* who graduated from accredited Canadian hospital pharmacy residency programs in 2024. This remarkable milestone not only signifies their dedication and hard work but also paves the way for numerous opportunities in their professional journey ahead.

Graduates understand the profound impact of pharmacy research on our field. Much of this research has been spearheaded by previous graduates from Canadian hospital pharmacy residency programs. Their contributions have not only earned national and international recognition for Canadian hospital pharmacy programs but have also propelled the profession forward, solidifying its crucial role in Canadian health care both now and in the future.

We encourage graduates to continue this tradition of excellence by getting involved with our journal. Consider submitting your own research and participating in the review process, as ways of contributing to the ongoing advancement of our profession.

*The list is ordered alphabetically by institution name, and residents' names are presented as supplied by the respective institutions.

Félicitations aux résidents diplômés en pharmacie hospitalière 2024

Les rédacteurs du *Journal canadien de la pharmacie hospitalière* souhaitent saluer et féliciter publiquement les personnes figurant dans la liste ci-dessous* qui ont obtenu leur diplôme d'un des programmes canadiens de résidence en pharmacie hospitalière agréés en 2024. Ce jalon remarquable traduit non seulement leur dévouement et leur travail acharné, mais il ouvre également la voie à de nombreuses occasions pour leur parcours professionnel à venir.

Les diplômés comprennent l'impact profond de la recherche en pharmacie sur notre domaine. Une grande partie de cette recherche a été menée par d'anciens diplômés de programmes canadiens de résidence en pharmacie hospitalière. Leurs contributions ont non seulement permis aux programmes de pharmacie hospitalière canadiens d'être reconnus à l'échelle nationale et internationale, mais elles ont également permis à la profession d'aller de l'avant, et d'ainsi consolider son rôle crucial dans le domaine des soins de santé au Canada, aujourd'hui et à l'avenir.

Nous encourageons les diplômés à perpétuer cette tradition d'excellence en s'impliquant dans notre journal. Songez à soumettre vos recherches et à participer au processus d'évaluation: deux moyens qui contribueront à l'avancement continu de notre profession.

*La liste est classée par ordre alphabétique du nom de l'établissement. Pour chaque établissement, le nom des résidents est présenté tel qu'il a été fourni par l'établissement.
