INTERIM EXECUTIVE DIRECTOR AT CSHP

The Council of CSHP is most pleased to announce that Leroy Fevang has been appointed Interim Executive Director of the Society. He took up the position on November 6, 2000, and will serve the Society in a part-time capacity during the search for a permanent Executive Director.

Mr Fevang recently retired from the Canadian Pharmacists Association (CPhA) after 21 years of service as its Executive Director. Before then, he worked as Registrar of the British Columbia College of Pharmacy. CSHP is fortunate to benefit from Mr Fevang's strong leadership and his ability to provide direction to the office staff. Working with the small staff at CSHP is more reminiscent of Mr Fevang's earlier days at CPhA: when he began his career there, the staff numbered 18, but over the years he saw it grow to 74. He took pride in leading an organization

that also grew in its domestic and international acceptance by pharmacists, government, and allied health professions. Under Mr Fevang's direction, CPhA's financial status improved significantly, and in recent years it has remained healthy and stable.

In addition to managing the CSHP office, Mr Fevang will be available as a resource to the membership and Council. He will participate in Executive meetings and at our educational sessions such as the Professional Practice Conference in Toronto.

We welcome Mr Fevang and look forward to the support his experience will bring to CSHP.
